By placing an X in the column below, I am indicating that I understand and agree to comply with:

We are not a boarding facility.	
You agree that by submitting this application - that if you have not disclosed any intent to delay the	
adoption before the viewing or home visit, (unless you have already made previous arrangements with	
the rescue to facilitate this delay an adoption), that you understand additional boarding costs will be	
incurred - as other incoming dogs will be stuck in boarding while the foster home "boards" your pet.	
I have carefully considered the commitment required to care for a dog for its entire life and am ready to	
proceed with the adoption process as outlined in Pet Rescue's policies as noted on their website	
I/we have full reviewed/ read the PetRescue Policies and Procedures	
I /we understand that the rescue only considers and 100% commits to one approved application at a time. We	
confirm we have no other APPLICATIONS/VIEWINGS OR dogs for consideration elsewhere . I/ we are committed	
100% to the process & AGREE not TO waste the time/ gas of the rescue volunteers for viewings, home visits to	
then back out .	
The dog will require time each day for interaction, exercise, training and grooming	
I am committed to responsibly providing for the dog's needs for the rest of its life – which may exceed 15 years	
I may have to housetrain or train my pet, which requires time, patience and sometimes professional assistance	
Transition takes a minimum of one month, often longer	
We understand that Rescue is highly committed and only approves/ commits to one application at a time to be	
fair to the time invested by each applicant. If I am approved- this means all other applicants have not been	
selected/ approved .	
Everyone who lives in our home and existing dogs must attend the initial viewing at the foster home and agree	
to the adoption. You will give notice to the rescue within 24 hs of your intentions to move forward or decline	
when offered an initial viewing .	
Pet Rescue will not complete same day adoptions d/t impulsiveness and for the welfare of the pets.	
Pet Rescue will not release the adopted pet to anyone but the approved Applicants.	
I/ we understand that the dogs are in various foster homes, may not be in the local area to where I/we	
live .We are committed and confirm I/we are committed to drive the distance for the viewing/s and the	
following adoption date as arranged. We acknowledge that we have reviewed and are aware of the	
distance for any pending traveling to complete the adoption process. We understand/accept this and	

acknowledge that this will not be a issue to back out thus costing the pet to miss out on other applications that have moved on. ** IF DISTANCE WILL BE AN ISSUE- PLEASE DO NOT APPLY. OUR PROCESS IS FIRM AND WE DO NOT CUT CORNERS FOR THE SAFTEY OF OUR PETS WE PLACE ... SO DO NOT ASK ABOUT SAME DAY ADOPTIONS. ** Pet Rescue will not adopt dogs into homes with existing intact. This is for the welfare of the Animals. This application does not guarantee an adoption based souly on a received application – all animals will be placed in homes which suit their needs according to Pet Rescue's experienced evaluation – not first come, first served. Pet Rescue reserves the right to deny any adoption for the sake of an animal's welfare. Rescue may make recommendations for an alternate pet that would be better suited I will welcome a home visit by a Pet Rescue representative to ensure my home meets this dog's needs False, misleading or omitted relevant information will be cause for denial of this application and could result in termination of an adoption (without refund) Upon substantiated abuse or neglect, Pet Rescue will confiscate the pet (without refund) A specific Pet Rescue donation and an adoption contract, signed at the time of adoption at the foster home, will be required. Payment is to be set by E- interact banking transfer unless otherwise arranged. The foster parents of the dog I am interested in, as well as the founder and coordinator of this rescue, will review my completed application. All completed applications become the property of Adopt-a-Pet/Pet Rescue and will be retained in its files At anytime should this adopted pet need to be rehomed it will be returned to rescue . I / we the adopters will make the needed arrangements and implement them to ensure the return the adopted pet to the immediate care of Petrescue and to the arranged and designated location. Upon the approval and completion of this adoption: I/ we agree & commit to: 1. update the rescue at: 1st night/ Day : End of weeks - 1 thru 4 :Monthly for a year : Then yearly. This is to offer supports and to ensure any issues are addressed asap and not permitted to escalate. We also are committed to the pets we help not only when they are with us but when placed. We love to hear how they are doing and see brag photos. 2. I agree to advice the rescue of any digressions in health or mental wellbeing, and of behaviour 3.
